- (b) all such other documents, consents and information as are required for the registration.

Liability of protected cell companies.

12.—(1) Where the liability of a protected cell company to a person arises from a transaction, or is otherwise imposed, in respect of a particular cell,

- (a) the liability of the protected cell company shall extend only to that person who shall, in respect of that liability, be entitled to have recourse only to,
 - (i) the cellular assets attributable to that cell of the protected cell company; and

- (ii) to the extent that the cellular assets attributable to that cell of the protected cell company may be insufficient, the protected cell company's non-cellular assets;
- (b) the liability of the protected cell company shall not extend to, and that person shall not, in respect of that liability, be entitled to have recourse against the cellular assets attributable to any other cell of the protected cell company.

- (a) inform any person with whom it conducts business transactions that it is a protected cell company; and
- (b) for the purpose of such business transactions identify, or specify the cell in respect of which that person is transacting, unless such business transaction is not a transaction in respect of a particular cell of a protected cell company.

(2) If, in contravention of subsection (1) of this section, a protected cell company,

- (a) fails to inform any person that he is transacting with a protected cell company, and that person is otherwise unaware and has no reasonable grounds to believe that he is transacting with a protected cell company; or
- (b) fails to identify or specify the cell in respect of which a person is transacting business, and that person is otherwise unaware of, and has no reasonable basis of knowing, which cell he is transacting with,

- (ii) the directors of the protected cell company shall have a right of indemnity against the non-cellular assets of the protected cell company, unless they acted fraudulently, recklessly, negligently or in bad faith.

(3) Notwithstanding the provisions of subsection (2) (b) (i) of this section, the Court may relieve a director of a protected cell company of all or part of his personal liability thereunder if he satisfies the Court that he ought fairly to be so relieved because,

- (a) he was not aware of the circumstances giving rise to his liability;
- (b) he acted neither fraudulently, recklessly, negligently nor in bad faith; or
- (c) he expressly objected and exercised such rights as he had as a director, whether by way of voting power or otherwise, so as to try to prevent the circumstances giving rise to his liability.

(4) Where, pursuant to the provisions of subsection (3) of this section, the Court relieves a director of a protected cell company of all or part of his personal liability under subsection (2) (b) (i) of this section, the Court may order that the liability in question shall instead be met from such of the cellular or non-cellular assets of the protected cell company as are specified in the order.

(5) Any provision in the Articles of Association of a protected cell company, and any other contractual provision under which the protected cell company may be liable, which purports to indemnify its directors in respect of conduct which would otherwise disentitle them to an indemnity against non-cellular assets by virtue of subsection (2) (b) (ii) of this section, shall be void.

14.—(1) Liabilities of a protected cell company not otherwise attributable to any of its cells shall be discharged from the protected cell company's non-cellular assets.

- (a) shall be bound to deal with the protected cell company's assets in accordance with the requirements set out in section 3 (2) (a) and (b) of this Act; and
- (b) in discharge of the claims of creditors of the protected cell company, shall apply the protected cell company's assets to those entitled to have recourse thereto in conformity with the provisions of this Act.

Transfer of cellular assets from protected cell companies.

16.—(1) It shall be lawful, subject to the provisions of subsection (3) of this section, for the cellular assets attributable to any cell of a protected cell company, but not the non-cellular assets of a protected cell company, to be transferred to any person, wherever resident or incorporated, and whether or not a protected cell company.

(2) A transfer, pursuant to subsection (1) of this section, of cellular assets attributable to a cell of a protected cell company shall not of itself entitle creditors of that protected cell company to have recourse against the person to whom the cellular assets were transferred.

(3) No transfer of the cellular assets attributable to a cell of a protected cell company may be made except under the authority of and in accordance with the terms and conditions of an order of the Court made under this section and called a "cell transfer order".

(4) The Court shall not make a cell transfer order in relation to a cell of a protected cell company,

- (a) unless the creditors of the protected cell company entitled to have recourse against the cellular assets attributable to the cell of such a protected cell company consent to the transfer; and
- (b) without hearing the representations of the Registrar or Deputy Registrar thereon.

(5) The Court, on hearing an application for a cell transfer order in respect of a protected cell company,

- (a) may make an interim order or adjourn the hearing, conditionally or unconditionally; and
- (b) may dispense with any of the requirements of subsection (4) of this section.

(6) The Court may attach such conditions as it thinks fit to a cell transfer order in respect of a protected cell company, including conditions as to the discharge of the claims of creditors entitled to have recourse against the cellular assets attributable to the cell in relation to which an order is sought.

(7) The Court may make a cell transfer order in relation to a cell of a protected cell company notwithstanding that,

- (a) a liquidator has been appointed to act in respect of the protected cell company;
- (b) the protected cell company has passed a resolution for voluntary winding-up;
- (c) a receivership order has been made in respect of such cell or any other cell of the protected cell company; or
- (d) an administrative order has been made in respect of such cell, the protected cell company or any other cell of the protected cell company.

PART III

- (b) that the making of an administrative order under section 22 of this Act, in respect of such cell would not be appropriate; or

(3) Upon the Court discharging a receivership order in respect of a cell of a protected cell company on the ground that the purpose for which the order was made has been achieved or substantially achieved, the Court may direct that any payment made by the receiver to any creditor of the protected cell company in respect of a cell of the protected cell company against which the creditor has a right of recourse, shall be deemed full satisfaction of the liabilities of the protected cell company to that creditor and in respect of that cell, and the creditor's claim against the protected cell company in respect of such a cell shall be thereby extinguished.

(4) Nothing in subsection (3) of this section shall operate so as to affect or extinguish any right or remedy of a creditor against any other person, including any surety of the protected cell company.
